

Old Bridge Village Homeowners Association, Inc. / 723

Membership Application

The Old Bridge Village Homeowners Association, Inc. (OBV HOA) provides the forum by which non-shareholder residents of Old Bridge Village can communicate and share their ideas and their concerns, and generate solutions to everyday issues which may arise within the park. The Homeowners Association operates under the guidelines specified by Chapter 723 of the Florida Statutes entitled "The Florida Mobile Home Act".

Though we are not shareholders, it is our responsibility to share our ideas and concerns through open, honest, and constructive communications with the Old Bridge Village Co-Op which represents the shareholders who are the owners of the park.

In order to enable us to carry out this mission successfully, it is important that all Homeowners are members of the OBV HOA and take an active interest in supporting the Homeowners Association. Your attendance at monthly meetings, and also possibly applying your talents as a volunteer on a special committee are important to maintaining a united and credible presence in the park. Monthly meetings are held at 2:00pm on the second Tuesday of each month beginning in October and running through April of each year. Typically, there are no meetings held during the months of May through September.

Also important to the success of the Homeowners Association is your financial support as we do not receive funding from any other source. So we encourage you to join your Homeowners Association. As a dues paying member of the Homeowners Association you are entitled to run for, and/or vote for, the officer positions at the Annual Voters Meeting.
