

CARE PACKAGES TO AFGHANISTAN

THANK YOU NOTES SPRING 2010

To everyone at Old Bridge Village,

Sorry it has taken so long for me to send this thank you, but I misplaced the address and just located it. But thank you for all the wonderful packages that were sent to us here in Afghanistan. We are very grateful for your community's thoughtfulness.

Thanks again,

Kari Zornes, MSgt, USAF Camp Phoenix, Depot 1

(One of many recipients of the Valentine shipment – 24 boxes; May shipment 4 boxes) (Kari has been in the USAF 17 years and has 3 small children.)

Dear Jan and Gene,

Please extend our grateful thanks for sending the packages to our grandson Brandon Baca in Afghanistan. He will love it. Everyone – thank you all so much. We truly appreciate everyone's efforts. Bless everyone.

Love and hugs, Barb and George Lopes (former OBV residents)

P.S. It's people like you in OBV that make this country great. (Spring shipment – 5 boxes)
(from a later email) Brandon called and said his men went crazy enjoying everything.

Dear Jan and all who contributed to the soldiers of the 1st Squadron-33rd Cavalry serving in Afghanistan,

I want to thank you all for what you've done in donations, purchasing items, packing and mailing to our soldiers! You are all so gracious to do this and I'm hoping soon there will be photos of our troops opening what you sent. Believe me a package is so appreciated!

Love,

Nancy Haupt (mother of Pfc Jordan Haupt, Camp Clark – 2 boxes. Many of our soldier's names came from Nancy who is a friend of Chris Wilson, OBV resident.)

To Old Bridge Village,

I just want to say thank you to everyone who is supporting our guys out there... The packages arrived safe and sound. From what I was told everything went to good use and was enjoyed. Jeremy said there were a lot of useful, nice things in these boxes and they were greatly needed. Once again, thank you for your time and prayers for our soldiers overseas.

Christina Iwanski (SGT Jeremy Iwanski's wife, Camp Wilderness spring shipment - 5 boxes)
