Chorus Notes

Our Musical Gift To You from the members of the Old Bridge Village Chorus **The Christmas Concert**

presented on December 8, 2011

The 2011 Christmas Holiday was colorful here at Old Bridge Village. The Chorus portrayed a rainbow theme using music, to create the "Colors of Christmas" as you will see while you read the Chorus Newsletter for the 2011 Christmas Concert. Thank you Old Bridge Village Chorus for creating an early December start to a wonderful Christmas Season.

Marilyn Coates Parkinson
OBV Chorus Director/Christmas 2011
Spring 2012

Once again Neil Moir stepped up to the role as MC for our Christmas Concert. We thank him for doing such a fine job announcing the program numbers and moving the program along at a comfortable pace.

We offer our sincere appreciation for the fine work Virginia Howells accomplishes preparing the Baritone and the individual duets and group performances. This of course was in addition to her demanding work on the keyboards while accompanying the chorus in rehearsals and concerts.

We continue to enjoy the fine harmonies sung by the OBV specialty groups. They along with the solos and duets add a great dimension to the overall sounds of a successful concert.

As always, stage design, stage setting and stage set-up play an important role in the overall concert production. We would be amiss if we didn't acknowledge the talent and Jenni creativeness of Sharon Diachun & Jenni Trevelyan and the assistance of Beverly Gianni in preparing for the concert.

2011 CHRISTMAS CONCERT PROGRAM
